

Garden and yard maintenance is easier if you have the right tools. Abe's Guide to Garden Tools is the ultimate guide to garden equipment and tools. This guide covers all of the common garden tools that the gardener needs to maintain their garden. In Abe's Guide to Garden Tools, you will find everything from garden trowels to garden tillers and mulchers described. Find out the different kinds of shovels, rakes and other garden equipment used to maintain a garden and their use. Abe's Guide to Garden Tools includes most of the popular garden tools as well as some less well known garden maintenance equipment like dibbles, sprakes and seeders. Find out the different types of garden twine as well as the many kinds of rakes, shovels and garden cultivators. Gardeners will also find a handy guide for garden sprayers, saws and garden carts. Abe's Guide to Garden Tools has sections explaining garden shredders, blowers and other small garden power tools. At the end a source guide for purchasing garden tools is also included. Gardeners are always looking for the right tool to use to maintain their gardens and yards. Abe's Guide to Garden Tools can help you find the proper equipment to help them get all of those outdoor yard and garden tasks done quickly and easily.
