

Avanzando: Gramática española y lectura, Workbook, 7th Edition (Spanish Edition)

The 7th ed. Avanzando Workbook has been completely revised and updated. Numerous exercises of varying degrees of difficulty reinforce the grammatical structures presented in the Avanzando textbook and help students master problem areas. The workbook mirrors the scope and sequence of the textbook, and the exercises have been contextualized whenever possible to reflect the theme of the corresponding chapter in the textbook. A new table of contents has been added for quick reference and an answer key at the end of the workbook allows students to check their own work. This workbook can be used independently, or in conjunction with the Avanzando textbook.
