

Toussaints Blue Water

Is Armageddon inevitable? Visually exciting, powerfully moving, Toussaints Blue Water by Pep Noggle tells the story of Chief Joe Blue Water, a man who is more than what he seems...and much more than what he knows. When a dangerously beautiful woman named Avaricious and a strange male hot on her heels come into town, cataclysmic things begin to happen that reveals Joes divine purpose. Is Joe the blood of the lamb, or is he just a vessel for the lambs spirit? Infused with a wide range of religious symbolism and imagery, Toussaints Blue Water offers a simple drink for your spiritual thirst. Pour the light of goodness that each of us receives at birth, into your cup of despair. Beautifully written and thoughtful, Toussaints Blue Water announces the debut of a talented new writer.
