

The Partnership

The Partnership The Teachings of the Seraphim Angels Book One is a profound spiritual journey of inner healing. It will show you the way to find out who you are and help you to see from a new perspective. Working with this book and the meditations can help you recognize new opportunities and create a happier life built from within. The Seraphim Angels greatest desire is for you to experience the healing energy of Divine Grace and to know who you really are. THE PARTNERSHIP WITH THE SERAPHIM This connection to angels is already part of you, but the challenge comes in recognizing and accepting this. A very important part of your connection is that you look within. The Seraphim call you to this connection. The connection is established through emotions, passionate desire, anticipation, excitement and dedicated intentions. Need and longing must be transformed to the higher emotions of passion and desire for the partnership to evolve. It has been traditionally understood that angels exist outside of us as separate entities in a higher realm, in a space that we cannot aspire to, except for a very few. However the Seraphim tell us that this connection was forged long before we arrived here in this lifetime. Everyone has access to this connection; everyone is part of the energy of Divine Grace. It is part of our structure, part of who we are, it is inbuilt within us. It is not something we can ever lose. It is available to all regardless of gender, age, culture and moral or immoral behavior. The energy of Divine Grace does not discriminate, criticize or judge, that is what we do. Seraphim use the healing energy of Divine Grace to bypass your fears and limiting thoughts. They reached through to the part of you that already recognizes the presence of Grace. This is why developing this partnership is so powerful. It gives you direct access to the wisdom and knowledge

of the Divine so you can make day-to-day choices based on expansion and awareness not limitations and obstacles. In other words living from love not fear.
