

Conversational French: A Functional Approach to Building Oral Proficiency

Advanced Beginning through Upper Intermediate Conversational French uses a functional approach to teach students the language skills needed to communicate in a variety of everyday situations, such as asking for directions, taking public transportation, and ordering food. - Authentic news articles, tour schedules, entertainment announcements, photos, and more. Give students a practical context for learning and highlight important cultural features. - Grammar and vocabulary integrated throughout the text. Reinforce development of oral and written skills. - Unit summaries followed by structure and vocabulary reviews. Ensure mastery and provide quick reference.
