

Deep Insight into the Workings of Vedic Astrology. Way of the native is an easy to follow Vedic Astrology course that provides a solid foundation for anyone interested in the myth, the art and the technology of this divine mathematical system the ancients had devised. Adapted from Parasara's Brihat Hora Shastra, Way of the native is natal, horary, dasa astrology, giving you insights about you as a person and your charter on this planet. While you have already unraveled some portions of it and have swung between gain and loss, pleasure and pain, Way of the native can help you overcome some of the future hurdles. In this book, presented are several algorithms of Vedic Astrology in Java programming language along with many illustrations, tips and cues. Way of the native provides you both, the technology means and practical insights into Vedic astrology to become an expert quickly.
