

If You Could Talk to an Angel: Angelic Answers to Your Questions on Life, Love, Purpose, and More

If you had the opportunity to sit down in your living room with an angel, what would you want to know? If you could have heavenly advice on your most urgent questions, what would you ask? Gerry Gavin posed this prospect to fans of his first book, Messages from Margaret; on his radio show; and to leading visionaries in the mind-body-spirit world, including Mike Dooley, Kris Carr, Pam Grout, Nick Ortner, Colette Baron-Reid, davidji, John Holland, and Meggan Watterson. They responded with questions about angels, the afterlife, and reincarnation, but also questions about animal companions, relationships, life purpose, and manifestation. In If You Could Talk to an Angel, Margaret tackles all of these topics with her trademark humor, offering advice and breaking down even the most difficult subjects in an easy-to-understand manner.
