

30 Walks in Kent (30 Walks boxed series)

This original concept takes 30 of the most popular walks in Kent from the AAs newly updated walks database and packages them on individual laminated cards in an easy-to-carry, durable box. The cards are pocket-sized to carry with you on your walk, and are durable and weatherproof to protect them from the elements. Each walk is carefully selected to suit all levels of fitness and ability, and clear route directions and maps make them easy-to-follow. The small and handy size means that the box can be stowed away in a pocket or purse, and single cards extracted at each walk's starting point.
