

Alignments: How to Live in Harmony with the Universe

This book brings together the disciplines of astrology and psychology in a startlingly original way. Instead of a patient gloomily working out his or her issues in isolation, the astrological dimension provides a focus and direction to the therapeutic process that guides a person towards his or her specific calling in life. Offering a new, radical, readable, and inspiring method for aligning ones personality with ones calling, the authors, a psychotherapist and an astrologer, develop practical methods of discovering an individuals calling in life. The reader will discover whether his or her life is on or off track with this particular calling and reinvigorate their relationships at the same time.
