

Messages from Spirit

Spirit is speaking to you always and at every turn, whispering messages of Divine guidance and love. Are you listening? Spirit is just waiting to give you help whenever you ask for it. You just need to enter the conversation and understand the dialogue. On this program, renowned intuitive counselor and best-selling author Colette Baron-Reid shows you how to ask for and receive the life-affirming gift of guidance that is always available to you, as she dispels the myths and misinterpretations that may have kept you from embracing your inner oracular consciousness. All of the stories, exercises, and ideas in this comprehensive four-part program are designed to make you more receptive to the messages and signals from Spirit that appear every day in a multitude of ways. Sessions 1 and 3 explain what the world of oracles, omens, and signs is all about and how to experience them in your own life. Sessions 2 and 4 are filled with powerful and experiential vision journeys or guided meditations, which will facilitate your personal ongoing connection to Divine guidance. Once you ignite your capacity to receive messages from Spirit, your world will never be the same!
