

## Philips Multiscale Europe 2013

Philips Multiscale Europe 2013, in this spiral A4 format, gives more for leisure travellers than any comparable product. In addition to the main maps at 1:1M, the continental road network is shown at three supplementary scales from 1:250,000 to 1:4M, with ultra-clear detailed maps for urban areas. Scenic routes are highlighted on the road maps, with theme parks and World Heritage sites clearly shown. The maps also highlight towns with low-emission zones and show motorway rest/parking areas. Philips Multiscale Europe 2013 includes: Up-to-date driving regulations, including speed limits, for every country in Europe; 15 pages of route-planning maps which enable journeys of over 1,200 miles to be planned without turning a page; 103 pages of clear, detailed road maps, with scenic routes highlighted and toll, toll-free and pre-pay motorways all clearly marked; 31 large-scale urban-area maps for Europe's largest cities; 50 city-centre plans marking historic buildings and tourist attractions, as well as car parks, head post offices and other facilities.
