

Playtime B Workbook: B: Stories, DVD and Play- Start to Learn Real-life English the Playtime Way!

This great new series focuses on the real-life pre-school environment, a familiar setting for little ones to start learning English through other subjects. Monkey (the puppet) starts every lesson in a fun way and the children's enthusiasm for English builds from the beginning. Through easy-to-follow classroom routines for each lesson children also learn to develop good habits and good behaviour. Playtime's lively stories present natural language in familiar contexts - using integrated DVD as well.
