

Poser

Are you a surfer girl? Dive in for a funny, romantic, beach read! **MEAN GIRLS** meets **BLUE CRUSH** Tallulah makes a huge splash at her new school when she scores a coveted invitation to go surfing with the popular It Girl. The only problem? Tallulah can't surf. Not at all. But hey, how hard can it be? Did anyone mention near-death-experience? And who knew a girl's nose was hard enough to break a surfboard in half? Sometimes death is preferable to humiliation--especially when the in-crowd is calling you Poser... The ever buoyant Tallulah carries on, determined to make amends. But with an archenemy clad in to-die-for designer heels--one who shares the hots for the same guy--only a miracle can save her. A great book for girls who surf, fans of *Soul Surfer* and *Bethany Hamilton*. *Poser* also includes tons of tips for girls learning to surf.
