A Facebook scandal goes viral after prom in this comedic, edgy novel from the author of *Bittersweet* and *Twenty Boy Summer*. Lucys learned some important lessons from tabloid darling Jayla Hearts all-too-public blunders: avoid the spotlight, dont feed the Internet trolls, and keep your secrets secret. The policy has served Lucy well all through high school, so when her best friend, Ellie, gets sick before prom and begs her to step in as Coles date, she accepts with a smile, silencing about ten different reservations. Like the one where shed rather stay home shredding online zombies. And especially the one where shes been secretly in love with Cole since the dawn of time. When Cole surprises her at the after-party with a kiss under the stars, its everything Lucy has ever dreamed of and the biggest BFF deal breaker ever. But before they get the chance to fess up to Ellie, Lucys own Facebook profile mysteriously explodes with compromising photos of her and Cole, along with tons of other students party indiscretions. Tagged. Liked. And furiously viral. By Monday morning, Lucys been branded a slut, a backstabber, and a narc mired in a tabloid-worthy scandal. Lucys been battling undead masses online long enough to know that theres only one way to survive a disaster of this magnitude: Stand up and fight. Theres just one snag Cole. Turns out Lucys not the only one whos been harboring unrequited love
