

# Denominations: Are They Divisive or Divine Design

This is a working illustration of how the Body of Christ in your community and the world should be known. It should not appear as it does today: as being dissected, sectioned, and as being confrontational against others in the Body of Christ. All Christians have been given the Ministry of Reconciliation and we are to bear FRUIT as well as having WORKS. To the outside world there is a great degree of division within the Body of Christ which is a major stumbling block to their accepting Jesus as their Lord. The Body of Christ must come together and present the Lord Jesus to their community for the field is white unto harvest and the labors are few.
