

## Wisdom Masters Press - Books in Ancient Himalayan & Egyptian Esotericism: June 15th 2016 Catalogue

Summer Reading Season Special Offer - 99 Cents on Kindle for July - Regular price \$2.99 - Enjoy! Explore the Wisdom, Knowledge and Practices of the Great Himalayan and Ancient Egyptian Masters. Wisdom Masters Press focuses on documenting the extremely rare esoteric wisdom traditions of profoundly enlightened individuals. The intent of our press is to reveal to our readers the knowledge and practices of genuine masters and sages. Transcribed directly from the archived field notes and journals of explorer M.G. Hawkings five years in the Himalayan regions of Nepal and Tibet, this book contains detailed narratives of Hawkings experiences and conversations with truly extraordinary individuals. In our books you'll experience first-hand their expressions and explanations of the fundamental knowledge, essential principals of consciousness and specific practices that are able to convey extraordinary perceptive abilities and personal powers. The books from Wisdom Masters Press are for those individuals who the passion for knowledge has instilled an enduring aspiration to see things whole, to pursue perspective, unity, and the deepest understanding of consciousness and our true place and power in the Universe. We invite you to take an extraordinary journey through both space and time, ranging from the remote ice peaks of the Himalayan Mountains to the highlands of Tibet, and far back through the ages to the mystic landscapes of ancient Egypt. Explore the opportunity to unlock great secrets of the ages, profound revelations that for long millenniums have remained hidden under the most intense silence. Incomparable books for anyone seeking greater knowledge and personal power. About this Volume: Wisdom Masters Press publishes a large body of work, so many of our readers requested that we assemble and publish a monthly updated reading list to

allow people to browse and thereby get an idea of where they may wish to begin, or to continue, reading. Some may simply want to read books in the primary series, In The Valley of Supreme Masters, others may want to read in the companion volumes to focus specifically on adventurous, topical, or specifically methodological material. Others may just want to make sure they haven't missed any book they're interested in reading. Have fun exploring! For more information, please see the Look Inside feature on this page. Thank you.
