

The Jesus Trilogy: Choice and Will / Love and Surrender / Beliefs, Emotions, and the Creation of Reality

In this trilogy by Jesus, are three jewels, each shining in its own way and illuminating the same truth: You are not only human but divine, and you are meant to flourish and love one another. In words that are for today, Jesus speaks intimately and directly to the reader of the secrets to peace, love, and happiness. He explains the deepest of all mysteries: who you are and how you can live as he taught long ago. The three books in The Jesus Trilogy were dictated to Gina Lake by Jesus and include Choice and Will, Love and Surrender, and Beliefs, Emotions, and the Creation of Reality. Choice and Will explores the complex, mysterious, and important question of who or what chooses. The question is important because our choices shape our reality and determine our experience of it. Love and Surrender explains the role that surrender plays in releasing us from bondage to our conditioning. Surrender is the miracle that occurs when we are finally able to let go and let things be as they are. Beliefs, Emotions, and the Creation of Reality explores the exciting arena of creation. It explains how beliefs determine our internal reality and, consequently, our external reality and how to move beyond limiting beliefs. The three books in the trilogy are also available individually in paperback and eBook.
