

The Primary English Encyclopedia

A comprehensive, user-friendly and interesting reference book that explains key concepts, ideas and current requirements in primary English. Includes: over 600 entries, short definitions of key concepts (e.g. parts of speech), succinct explanations of current UK requirements, extended entries on major topics such as speaking and listening, reading, writing, drama, bilingualism and children's literature, up to date information and discussion of important issues, key references and accounts of recent research findings. Who's Who of Primary English.
