

The wait is over! Txt Me 6y (Text Me Sexy) is the worlds first complete texting dictionary with acronyms and English-language coded and translated. This reference guide is also the first entertainment dictionary with quizzes, games, tips, tricks, illustrations and pictures on every page, including the very first text story ever written completely in text language with translations to practice new texting skills. This book makes it easy to learn an entirely new, yet evolving language that every person in the household will enjoy. Teens, tweens and college students wonder why the book hasn't come out sooner, adults say they'll use the acronyms to speak to spouses so younger kids won't understand and grandparents want to seem cool when they're texting their grandkids. Txt Me 6y is recommended by the FBI and Police Departments as a safety resource to protect all kids and teens from internet predators. To become a texting genius, this is the only book you'll need.

Have We Met Before, Backpacking Tips, 2nd: Trail-tested Wisdom from FalconGuide Authors (Kestrel), The Imbolc Tale (The Tales of Chalador Book 3), Vocabulaire francais-allemand pour l'autoformation. 5000 mots (French Edition), Atlas Of World War II, The presence of Christ, Ben Jonson: Poetry and Architecture (Oxford English Monographs), A Course in Modern Linguistics, The Praeger Picture Encyclopedia of Art; a Comprehensive Survey of Painting, Sculpture, Architecture and Crafts, Their Methods, Styles and Technical,
