

Dr. Fritz The Phenomenon of the Millenium: The authors true story between the spiritual and material worlds.

This book is the most profound in explaining and proving to our material world the existence of the spiritual world and its relation to our lives. Dr. Fritz is the most incredible example of the existence of the spiritual world related to ours. In this book we can feel the authors connection in trying to help us in our incertitude of life after death. He took more than 3,000 photos (180 photos are in the book) of incredible healing surgeries done by the power of the spiritual fluid affecting our bodies. Dr. Fritz phenomenon is alive and happening in Rio de Janeiro at this present moment, as of the time this book is being printed. The author left October 8, 2001 to Rio de Janeiro to have a cancerous melanoma surgery done by this spiritual phenomenon without anesthesia or any modern concept. The medium Rubens de Faria, Jr. is presently working on this phenomena. The religious leaders know about it but try to cover this great contact because of controversial ideals of archaic beliefs not following mens evolution.
